Frequently Asked Questions

Is a cake included with the party package?
Birthday cakes are not included with the party package.

Can we bring outside food for our party?

We do not allow outside food and beverages into the park with the exception of cake and ice cream. We do make exceptions to this rule for special diet restrictions. If you have specific questions, please give us a call at the park.

Do I include the Birthday Child in the headcount? Yes.

What are the requirements for the attractions?

Single Seater Go-Kart: Driver must be at least 56" tall.

Double Seater Go-Kart: Driver must have a valid Driver's License, passenger must be at least 3 years old and 36" tall.

Appropriate footwear required for Go-Kart rider and driver. No flip flops allowed. Fastened sandals are allowed. No loose clothing or scarfs allowed.

Laser Tag: Player must be at least 42" tall (recommended age is 7 years old).

How long do parties typically last?

This depends on the package that you choose and how busy we are, but a good estimated park time is 3 hours with your first hour and a half at the table.

What is the schedule of the party?

For the Basic and Ultimate packages: the first 90 minutes of your party is your table time. The first 30 minutes of this time can be used in the arcade with their tokens allowing for your guests to arrive and your food to cook. The remaining 60 minutes is spent at the table where you eat, have cake and open presents. Upon completion of your 90 minute table-time you will checkout and receive your golf and attraction passes to be used in any order you would like. Your unlimited golf expires 1 hour from the start of your first game. The Teen party package does not include a party captain or table time in the party room, which allows freedom and flexibility so you will not be on a schedule.

How long do the attractions last?

A single game of laser tag and a single race on the go-karts are both about 7.5 minutes each. An 18-hole mini-golf game lasts approximately 30-45 minutes.

I'm not exactly sure how many guests we will have. How does this work?

We get your estimated head count when making your reservation. Your host will take your final head count at the party and adjust your tab up or down as needed with the exception of the 8 guest minimum.

What happens if we have inclement weather?

You may reschedule your party in which your deposit will follow your reservation or the kids will be able to play arcade games during the party. If you have any leftover attractions or tokens, you may bring the tokens back any day, and we can issue you tickets to use your attractions another day.

Will our host guide the entire party to each of the attractions?

Your host is only with you during your table time, however, if you have any questions or concerns our staff will be happy to assist you. You may either take your entire party to each attraction or allow your guests to go individually as they will each have their own passes.

I have two kids celebrating at the same time, can I get the birthday honoree bonuses for both kids?

Yes, there is an additional charge to upgrade.

8 guest minimum for all parties

\$50 non-refundable deposit required when reserving.

Sorry no personal checks.
